

ESMÉE MYERS

Location: Auckland | **Height:** 162 cm
Hair Colour: Blonde | **Eye Colour:** Blue | **Ethnicity:** European

"Esmée Myers is certainly a crowd favourite. Just when you're trying to catch your breath, she re-appears wittier than before, leaving you gasping for air yet again." THEATRESCENES

"Esmée Myers enables us to love her and to feel for her. Without this affection, the play has no real heart. We believe implicitly in the love she feels for her child and for her prince, and her circumstances, as out of her control as they are, cause us considerable grief. Myers' performance is selfless and skilful and she serves the play extremely well." THEATREVIEW

"Esmée Myers understands the level of performance required to make the script work, with a grandiose Southern belle reminiscent of Blanche du Bois. Myers sells every word and executes the capriciousness of her character with absolute charm." THEATRESCENES
