

# DONNA BOTH

**Location:** Nelson | **Height:** 161 cm  
**Eye Colour:** Brown | **Hair Colour:** Brown | **Ethnicity:** European

Donna Botha's been quietly carving out her spot in the acting world of Nelson, with a knack for slipping into roles across film, TV, and theatre. From her early days on "Shortland Street" to her more recent roles in the short film scene and on stage, she's shown a range that spans from heartfelt leads to quirky supports. Notably, her roles in films like "James Blonde" and "Northspur" have not only showcased her talent but also earned her accolades, including a Best Actress win at the Top of the South Film Festival. Off-screen, Donna's dedication to her craft is evident in her continuous pursuit of training, from acting workshops to singing lessons, all while keeping it real with that laid-back Kiwi charm. 2023 saw her taking the lead on stage again in CHONA - [The Complete History of Nelson Abridged, directed by Mark Hadlow](#).
