

GERARD-LUKE MALGAS

Location: Auckland | **Height:** 195 cm

Ethnicity: American | **Hair Colour:** Brown | **Eye Colour:** Brown | **Ethnicity:** South African

Gerard-Luke, a talented actor hailing from the vibrant landscapes of South Africa, has carved an impressive path through the world of theatre. His captivating performances and extensive experience have made him a notable figure in the realm of performing arts.

Gerard-Luke's dedication to honing his craft extends beyond the stage. Between the years 2010 and 2019, he underwent extensive vocal training in rap and musical theatre, under the guidance of the esteemed Catherine Carr. This commitment to mastery and growth exemplifies his relentless pursuit of excellence.

Most recently, Gerard-Luke took center stage as the lead character, Usnavi De La Vega, in the Tauranga production of "In the Heights." This role marked a new pinnacle in his career, showcasing his ability to captivate audiences and carry the weight of a lead role with grace and charisma.
